SANITARY AND TOWN PLANNING DIVISION.

Notification dated 10th November 1928.

Notice is hereby given that sealed tenders will be received up to 12 noon of 3rd December 1928, at the office of the Executive Engineer, Sanitary and Town Planning Division, for the supply of Sanitary and other materials in sound condition F. O. R. Mysore for "Providing Sanitary Fittings to the Latrines of the Maharaja's College, Mysore." An approximate estimate of quantities is given below. These quantities are not guaranteed. The supplies should be completed by the end of 4th January 1929.

2. The tender should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed in sound condition F. O. R., Mysore:—

Description of articles	Quantity	Rate

3. Each tender must be accompanied by a deposit of Rs. 100 (One hundred only) in Cash or Government Promissory Notes, as an earnest money and be superscribed "Tender for materials required for providing Sanitary Fittings to the Latrines of the Maharaja's College, Mysore," in default of which tenders will be rejected.

4. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

6. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

7. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
